

宜蘭縣宜蘭市中山國小

宜蘭市中山國小創立於 1896 年，是宜蘭縣第一所現代化小學，素有「蘭陽首學」之美譽。學校位於宜蘭火車站旁，緊鄰著名的幾米廣場，地理位置得天獨厚。近年來，學校打破圍牆藩籬，將校園景觀與社區觀光資源融合，並積極推動科技、雙語及藝術教育。中山國小不僅是歷史文化的守護者，更是引領創新教育的「未來學校」，致力於培養具備國際視野與解決問題能力的現代公民。

Established in 1896, Yilan City Zhongshan Elementary School is the first modern primary school in Yilan County, earning it the reputation as the "First School of Lanyang." Located next to the Yilan Railway Station and the famous Jimmy Park, the school enjoys a unique geographic advantage. In recent years, the school has integrated its campus landscape with community tourism resources and actively promoted technology, bilingual, and art education. Zhongshan Elementary School is not only a guardian of history and culture but also a "School of the Future" leading in educational innovation, dedicated to cultivating modern citizens with global perspectives and problem-solving skills.
