走進宜蘭縣礁溪鄉的心臟地帶，一所擁有百年歷史的學校，在溫泉的霧氣與山嵐之間綻放光芒，這裡就是礁溪國民小學。

如今的礁溪，是宜蘭最具活力的地區之一，政府積極推動溫泉觀光特定區與觀光養殖專業區，融合產業、文化與教育。

在這片富含地熱能量的土地上，孩子們學習的不只是知識，更學會與自然共生，感受生活的溫度。

Step into the heart of Jiaoxi Township, Yilan County, where a centennial school shines amidst the mist of hot springs and the haze of mountains—this is Jiaoxi Elementary School.

Today, Jiaoxi is one of the most vibrant regions in Yilan. Through active government promotion of designated Hot Spring Tourism Zones and Recreational Aquaculture Areas, we seamlessly integrate industry, culture, and education.

On this land rich in geothermal energy, children acquire more than just knowledge; they learn to coexist with nature and experience the true warmth of life.
