

宜蘭縣大同國中

大同國中是一所以泰雅族文化為核心、從生活出發學習的學校。我們依學生年級設計完整的文化學習路徑，讓課程自然地融入日常經驗。

七年級從「燒墾生活」開始，學生透過小米種植、祭儀與生活器具製作，認識人與自然的關係；八年級進入「gaga 家庭與組織」，從家族、信仰、服飾與編織中理解社會結構與文化規範；九年級則聚焦「山林智慧」，透過狩獵生態、傳統建築與族群歷史，深化文化與環境知識。

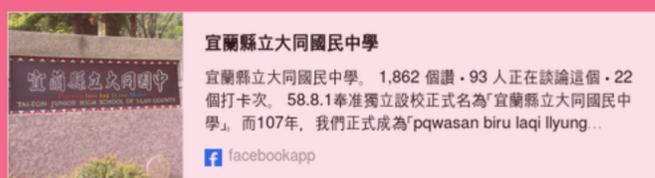

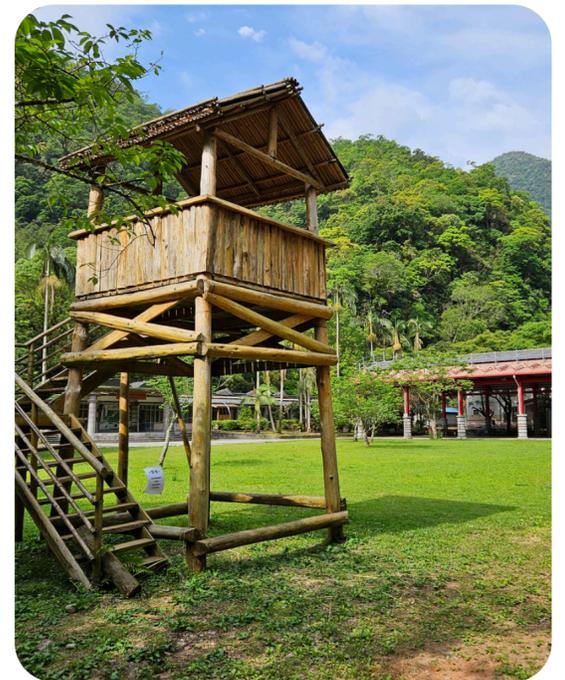

學習不只發生在教室裡，學生走進部落與山林，向耆老學習、動手實作，並透過專題整理與分享自己的學習成果。我們也透過國際交流，鼓勵學生在穩固文化認同的基礎上，學習與世界對話。

DA-TONG JUNIOR HIGH SCHOOL

Datong Junior High School is a culture-based school rooted in Atayal traditions. Learning starts from everyday life, with a curriculum designed across grade levels so culture is part of students' daily experiences.

In Grade 7, students learn about farming, millet rituals, and daily tools. In Grade 8, they explore family, beliefs, clothing, and weaving through the Atayal concept of gaga. In Grade 9, students focus on forest knowledge, including hunting ecology, traditional houses, and Atayal history.

Learning goes beyond the classroom. Students work with elders, explore the mountains, and complete hands-on projects. Through international exchange, we encourage students to share their culture with the world and learn from different perspectives.
