

Christina Perri - Let It¹ Snow

Oh, the weather outside is **frightful**²
 But the fire is so **delightful**³
 Since we've no place to go
 Let it snow, let it snow, let it snow

It doesn't show **signs**⁴ of stopping
 And I've brought some **corn**⁵ for **popping**⁶
 The lights are turned way down low
 Let it snow, let it snow, let it snow

When we **finally**⁷ kiss good night
 How I'll hate going out in the **storm**⁸
 But if you really hold me **tight**⁹
 All the way home I'll be warm

Fire is slowly dying
 And, my dear, we're still goodbying
As long as¹⁰ you love me so
 Let it snow, let it snow, let it snow
