四、閱讀測驗 6% (每題 2 分)

"Origami" Is Not Just "Folding Paper"

The art of origami in the world begins in Japan. The word itself comes from "oru", "oru" means to fold, and "kami" means paper. We can use "origami" to make hundreds of art works. The easiest to make are the envelope, the hat and the boat.

We can also use "origami", the art of paper folding, to make useful things or funny animals. However, many different kinds of flowers can also **be folded** with origami. Origami flowers can be folded to any size you like, using any color of paper. They will also **last** much longer than the real flowers, and it needs less care. Many of these flowers are quick and easy to make in just a few steps.

The origami interests you, doesn't it? Welcome to join us.

Time: 7:20 ~8:00AM on Wednesdays

Place: Classroom 923.

(ps. Don't forget to bring your own rulers when you come to the class)
