<p>Car Free Day is on September 22 every year. It's an international activity to encourage eco-friendly travel. Instead of driving alone in their cars, people can use green ways to work or travel around.</p> <p>One way Taiwan celebrates Car Free Day is with Green Connections. To join this activity, people can write about their green ways. It can be anything from taking the bus or MRT to bicycling and walking. In fact, carpooling to work is eco-friendly, too. All these ways are lighter on our wallet and the environment than driving alone. Everyone is welcome to join Green Connections and share the ways of celebrating Car Free Day online. Anyone has a chance to win some great prizes if he does.</p> <p>If you are already car free, you are helping to make the air cleaner and traffic better. Then you can try your best to get more people to do the same. That way, we can make Car Free Day more meaningful and save our earth.</p>
