擬立面美化改善建築物現況相片

 A photograph showing the east facade of a multi-story building. The building has a light-colored exterior with several windows and a prominent vertical pipe. In the foreground, there are some potted plants with red flowers.	 A photograph showing the west facade of the building. It features a dark, sloped structure on the left side and a white section on the right. A white car is partially visible in the foreground.
